MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ('MoU') is made and entered into on this 24th day of March 2023 by and between **Bejoy Narayan Mahavidyalaya** (Itachuna, Dist- Hooghly, West Bengal, Pin - 712147) and **ICA Edu Skill Chandannagar** (1, J.N.Sur Road, Bagbazar, Chandannagar, Hooghly, Pin- 712136).

Purpose, Scope and Terms and Conditions

The purpose of this Memorandum of Understanding is to set forth the terms and conditions, scope of work and responsibilities of the parties associated with their collaboration on internship projects/training and workshop sessions for students related to Microsoft office (Advance Excel, Word, Power Point) and Personality Development programme. The 'MoU' will remain effective for 2 (Two) years. Internship projects/training and workshop sessions would be conducted as and when required, either at **Bejoy Narayan Mahavidyalaya** or **ICA Edu Skill Chandannagar** or both places on the basis of mutual consent.

The 'MoU' may be extended or revised after every 2 (Two) years on mutual discussion between the two parties viz. **Bejoy Narayan Mahavidyalaya** and **ICA Edu Skill Chandannagar**.

Classes will be held at **ICA Chandannagar own Premises**.

In case of any dispute resulting from or related to this MoU, the Parties agree to attempt to resolve such dispute amicably, and shall escalate within their respective organizations, any such dispute. This MoU shall be governed and construed according to the laws of the country for each participating party. Any dispute will be jointly resolved involving the Principal of **Bejoy Narayan Mahavidyalaya** and **ICA Edu Skill Chandannagar** in a spirit of independence, mutual respect, and shared responsibility.

No financial commitment is required/involved to execute the terms and conditions of the MoU.

The MoU may be terminated by either party after giving a notice of three months (90 days) provided that this clause will be operative only if either party violates the terms of MoU or if the parties feel that no useful purpose would be served by further continuing it either due to change in circumstances or change in constituting parties.

MEMORANDUM OF UNDERSTANDING

BETWEEN

Bankura Sammilani College,

Kenduadihi, Bankura, West Bengal

&

Bejoy Narayan Mahavidyalaya,

Itachuna, Hoogly

Bankura Sammilani College, Bankura, affiliated to Bankura University and **Bejoy Narayan Mahavidyalaya**, Itachuna, Hoogly affiliated to Burdwan University, are linked by common academic interests and seek to develop collaborations and exchanges in fields of shared interest and expertise. The activities undertaken pursuant to this **Memorandum of Understanding** (MoU) are based on a spirit of cooperation and reciprocity, that is intended to be mutual benefit to both the institutions.

1. Purpose*

This Memorandum of Understanding (MoU) serves as a written understanding of agreed upon principles between Bankura Sammilani College and Bejoy Narayan Mahavidyalaya concerning a set of general academic objectives. This is a non-binding agreement and is intended to clarify the nature and extent of the harmonizing activities that might be undertaken for the mutual benefit of the two institutions. Each institution will be responsible for managing its own expenses and also share as and when necessary. Commitments of specific institutional resources, personnel, space, facilities, or any other academic or intellectual activities considered hereunder may or may not be beyond the scope of this MoU. To the extent that the implementation of any agreed upon activity requires a commitment of resources, personnel, credit-bearing coursework, or intellectual property, a supplementary agreement will be negotiated and approved by the two parties before work on any of the projects can commence.

2. Objectives, Scope, and Major Activities*

Both institutions agree to encourage the development of the following types of activities:

- Visits and formal exchanges of faculty, scholars and administrators in specific areas of education, research and outreach.
- Cooperate in Under Graduate & Post Graduate education and training through library as well as laboratory resources.
- Organize joint conferences, symposia, or other scientific meetings on subjects of mutual interest.
- Exchange of academic information and materials.
- Pursue avenues for under graduate and post graduate student exchange during the academic year or through summer/winter internship programs.
- Explore the possibilities for developing joint research programs and collaborations.
- Other exchange and cooperation programs such as extension activities to which both institutions agree.

3. Responsibilities of the Institutions*

The two institutions identify that the execution of any agreed upon activity will depend upon the interests and expertise of the individuals involved and the availability of financial resources, space and other resources. Accordingly, the functioning of any exchange and cooperative programs based on this MoU shall be conferred and determined between the two institutions. It is further expected that both institutions will be compliant with all applicable Government of India and State legislations and University policies.

4. Duration and Option to Amend, Extend or Terminate*

This MoU will become effective when signed by authorities of both institutions. The agreement will remain in effect for five years from the date of signature given below, and may be renewed or amended by mutual agreement of the institutions. The institutions should agree to periodically review the activities undertaken and the progress made and to consult concerning amendments, renewal or termination of this MoU. Either authority may terminate this MoU at any time by providing written notice of such termination to the other authority.

5. General Terms*

This MoU is not intended to, and does not create any right, benefit, or trust responsibility, substantive or procedural, enforceable at law or equity, by either party, its officers, employees, or agents against the other party, its officers, employees, or agents. Nothing in this MoU obligates either party to commit or transfer any funds, assets, or other resources in support of projects or activities between the two parties. Neither party will use the name of the other, either expressly or by implication, in any publicity, solicitation or advertisement without the express written approval of the other party to this MoU.

6. Signatures*

This MoU shall enter into force on the date of the signing by qualified representatives of both institutions.

Project Title: **'Synthetic engineering of multitasking small-molecule heterocyclic fluorophores that juggle environmental sensitivity and biological significance'**

1. We agree to abide by all the terms & conditions and guidelines of the DSTBT, GOWB grant.
2. We did not submit this or a similar project proposal elsewhere for financial support.
3. We declare that this R&D project proposal is a new one and unique of its kind. This type of project has not been conducted elsewhere so far as my knowledge is concerned. The project proposal is original and the outcome will usher new light in this particular field.
4. We declare that the following has been submitted to DSTBT for previously funded R&D project by DSTBT: (i) the final report, (ii) achievement of completed project against deliverables stated at the time of project submission, (iii) utilization certificate and audited statement of expenditure, (iv) information on publications made in reputed journals/ high impact journals, (v) patentable items, (vi) translational values, (vii) benefits to the State Government/ common man.
5. In case any item of the project proposal is found to be plagiarized, I/We shall be liable for the consequences.
6. We have explored and ensured that equipment and basic facilities available within the Institution will be used as and where required for the purpose of the project. I/We shall not require financial support under this project for procurement of the items already available.
7. We undertake that the permanent equipments will be kept within the institution and the same will be made available to other users of the Institution also.

8. We undertake that Intellectual Property Rights arising out of the R & D Project work (if any) will be intimated to Department of Science and Technology & Biotechnology(DSTBT), Govt. of WB and will be filed jointly in the credit of the DSTBT, GOWB and the implementing organization as per above mentioned terms and conditions.
9. We undertake that the UC and audited SOE along with Progress Report will be submitted in time failing which DSTBT may stop release of further instalment.

Sir,

Sub: Collaborative research

It's a privilege and honour for me to collaborate with you and your institution on the projects related to detection of fatty acid profiles of various indigenous fishes primarily consumed by the people of the eastern region of India and protein isolates of *Alstonis scholaris*. Please share with me your proposals in detail so that I can work on it and give my views before starting our laboratory work.

Looking forward for an interesting and fruitful venture.

To Whom It May Concern

This is to certify that Dr. Madhumita Dalal, Assistant Professor, Department of Physics, Bejoy Narayan Mahavidyalaya, Itachuna, Hooghly is academically known to me since 2012 and she has awarded PhD degree in the year 2018.

It is further to mention that she helps me in the planning and designing some of research problems of my laboratory and she has proved herself a fast learner of the modern methodology and expertise through assimilating the latest findings reported in the eminent journals of Materials Science. It is my pleasure to accept her proposal for research collaboration after pursuing her PhD degree and grant her permission to utilize research facilities available in my laboratory. Hope our joint endeavour to investigate and analyse magnetic nanoparticles will be successful and prospective.

This is to certify that Dr. Arindam Mandal, Assistant Professor of Botany of Bejoy Narayan Mahavidyalaya, Itachuna, Hooghly-712147 is a longtime collaborator of the undersigned on the research area of Seed Science and Technology. Dr. Mandal primarily collaborates on investigating and interpreting the Seed morphology, physiology and Biochemistry in my laboratory since 2016 to fulfill his PhD programme. We had a joint publications entitled - 1) "Upgradation of cowpea seed production and germination allied alpha-amylase through seed treatment of cow-excreta" *The Bioscan* (2017);4: 2017-2020; 2) "Developmental archetype of lentil (*Lens culinaris* Medik.) seed considering a few seed traits". *Int. To whom it may concern

I am pleased to certify that Dr. Raibatak Sen Gupta, Assistant Professor in Mathematics, Bejoy Narayan Mahavidyalaya is known to me since several years, and we have recently started collaborating on the study of various aspects of *Leavitt Path Algebra*, a new topic of interest among Algebraists since the last decade. I consider Dr. Sen Gupta as a part of our research group long mentored by Dr. M. K Sen (Former Reader, Department of Pure Mathematics, University of Calcutta), and I have no objection in providing mathematical software support (available in our department) to Dr. Sen Gupta for our investigation into the various properties of Leavitt Path algebras.

TO WHOM IT MAY CONCERN

I am amazed to certify **Dr. Saroj Kumar Ghosh**, Assistant Professor in Zoology, Bejoy Narayan Mahavidyalaya, Itachuna, Hooghly-712 147, West Bengal who is academically known to me since 2004 because of his chequered performance at all the public examinations. I myself in my capacity of being his major study adviser and a guide covering a period from 2006 till date have found Dr. Ghosh is a voracious devour not only of the knowledges of the conventional Zoology but also of the ever expanding technological strides which this specially is constantly undertaking through his literature hunting property.

This young energetic, highly methodical and skilful student displays his utmost dedication, self-reliance and perpetual eagerness to learn different aspects of zoology. He helps me in the planning and designing of some research problems of my laboratory and he has proved himself a fast learner of the modern methodology and expertise through assimilating the latest findings reported in the eminent journal of zoology and fisheries. He has already published *forty* papers in reputed Indian and foreign journals. From my long association with Dr. Ghosh as a teacher and research supervisor, I consider it an immense privilege to recommend very strongly the candidature of Dr. Saroj Kumar Ghosh, a well-read, versatile and highly dynamic person, product of a cultured respectable family and possessing an amiable highly co-operative personally for any position.

I wish him all success in life.

Dear Dr. Chakraborty,

It is my pleasure to accept your proposal for research collaboration and grant you permission to utilize the spectroscopic tools and other facilities available in our laboratory. Hope our joint endeavor to investigate the photochemistry of small drug-like molecules in protein environment using spectroscopic tools will be successful.
