Annual Gender Sensitization Plan 2020-21

- 1) Like previous years, the IQAC will organize a seminar and other sessions on the issues of gender discrimination in order to sensitize both male and female students of the evils of gender inequality in our society. This year, a seminar on 'Substantive Gender Inequality in India' has been held on 24.02.2021 (from 5 PM onwards), the speaker for this occasion was the eminent academician Jaya Mitra.
- 2) The faculties working as mentors have been advised to give special importance to female mentees and to address their woman-specific issues.
- 3) The Integrated Personality Development Programme, supervised by Sri Gopendra Narayan Chattopadhyay (an alumnus, social activist as well as current member of IQAC), takes special initiatives to hold counselling sessions to instill self-confidence and self-reliance among female students.
- 4) The sexual harassment redressal cell keeps strict vigilance on addressing the women-specific issues (if any) and maintaining a healthy environment in classrooms, staff rooms and office.
